NEWS - ILUCRETE - LUCCON PRODUCTS - LIGHT TRANSMITTING CONCRETE

As well as the full range of products we have been producing since 2004 we are now delighted to introduce to you an additional design to our **LUCCON - Line.**

Jürgen Frei, the designer and producer of **LUCCON** creations, is brimming over with enthusiasm and works tirelessly to invent more and more special and creative designs for his light transmitting concrete works..

AMAZING RESULTS LIGHTING YOU AND YOUR SURROUNDINGS!

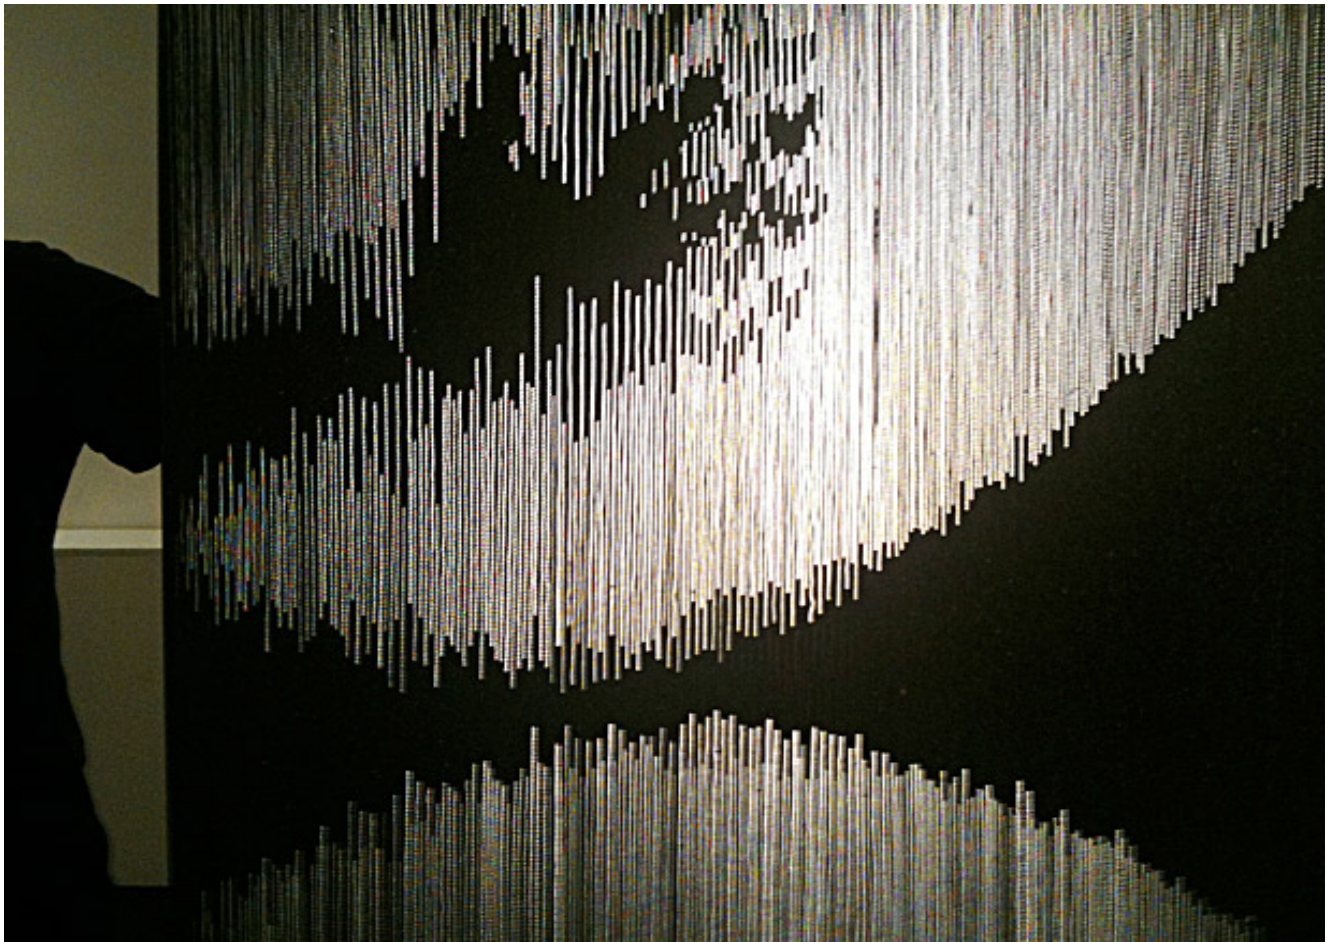

It is, also, for this reason, that Jürgen Frei has been the inspiration for the Swiss artist, Paula Pakery Keller's, who works in mixed media, sculpturing art objects out of **Light Transmitting Concrete** (in- or outdoor)
